

Kiwanis[®]

Club of Green Valley, Henderson

California-Nevada-Hawaii District

Dear Business Associate,

Kiwanis is an international volunteer service organization with a passion to improve the lives of children. The Kiwanis Club of Green Valley, our local club, has been working to support youth in the Henderson area for over 34 years.

In order to make a difference in the future of our community, we hold an annual poker tournament to raise charitable funds. All monies are distributed locally through our charitable activities, including scholarships for local high school students in our sponsored Key Clubs. Over the past 11 years, we have raised over \$90,000 and supported many students with financial assistance to further their education.

The enclosed flyer explains our sponsorship programs and benefits. We rely on the generous support of individuals and businesses in our community, like you, to continue this worthwhile endeavor. All contributions are appreciated.

For more information, please contact Sharon Klaschka at 808-298-5760 or Lynn Miller at 808-250-9035.

Thank you,

Kiwanis Club of Green Valley
